## Installation

21 Install Quick-Step luxury vinyl on walls
22 Install your floor without hassle
23 Simply choose click or glue

## Finishing

24 Finish perfectly

## Cleaning

26 Keep your floor in top condition

# The looks you want, the comfort you need

## Quiet, strong and 100% waterproof

Enjoy your luxury vinyl floor for many years to come thanks to the sealed top layer with Stain and Scratch Guard technology. This layer ensures superior protection from scratches, stains, dirt and scuff marks. Moreover, thanks to their excellent water resistance, our luxury vinyl floors are the perfect choice for every room, even bathrooms or kitchens. The water-repellent layer makes them super easy to clean. These warm, comfortable floors are a pleasure to walk on – even barefoot. Prefer to keep your shoes on? All Livyn floors are silent: you barely hear a thing.

# A wide variety of beautiful, natural looks

The Quick-Step Livyn collection includes a wide range of natural-looking wood and stone designs, each with its own authentic character. The extra matt finish makes them nearly indistinguishable from real wood and tile flooring. For a perfect finish, we select the bevels and structures that match your favourite design.

NATURAL LOOK

BACL 40039

PUCL 40079

# Installed in 1-2-3

## NEW A Livyn floor for every surface and installation

Next to its flexible luxury vinyl planks, Quick-Step now offers a brand-new rigid collection. As a result, you now have a vinyl flooring solution for any type of subfloor (levelled, irregular or very irregular) and installation (floating or glued). In short, it's the perfect solution for renovations.

## DIY: all you need is a knife to cut the planks

Livyn floors are exceptionally thin, which makes them ideal to install on top of existing floors. Installing luxury vinyl is a piece of cake: all it takes is two hands and a knife to cut the planks and tiles. Use a saw for a perfect finish on your rigid luxury vinyl floor.

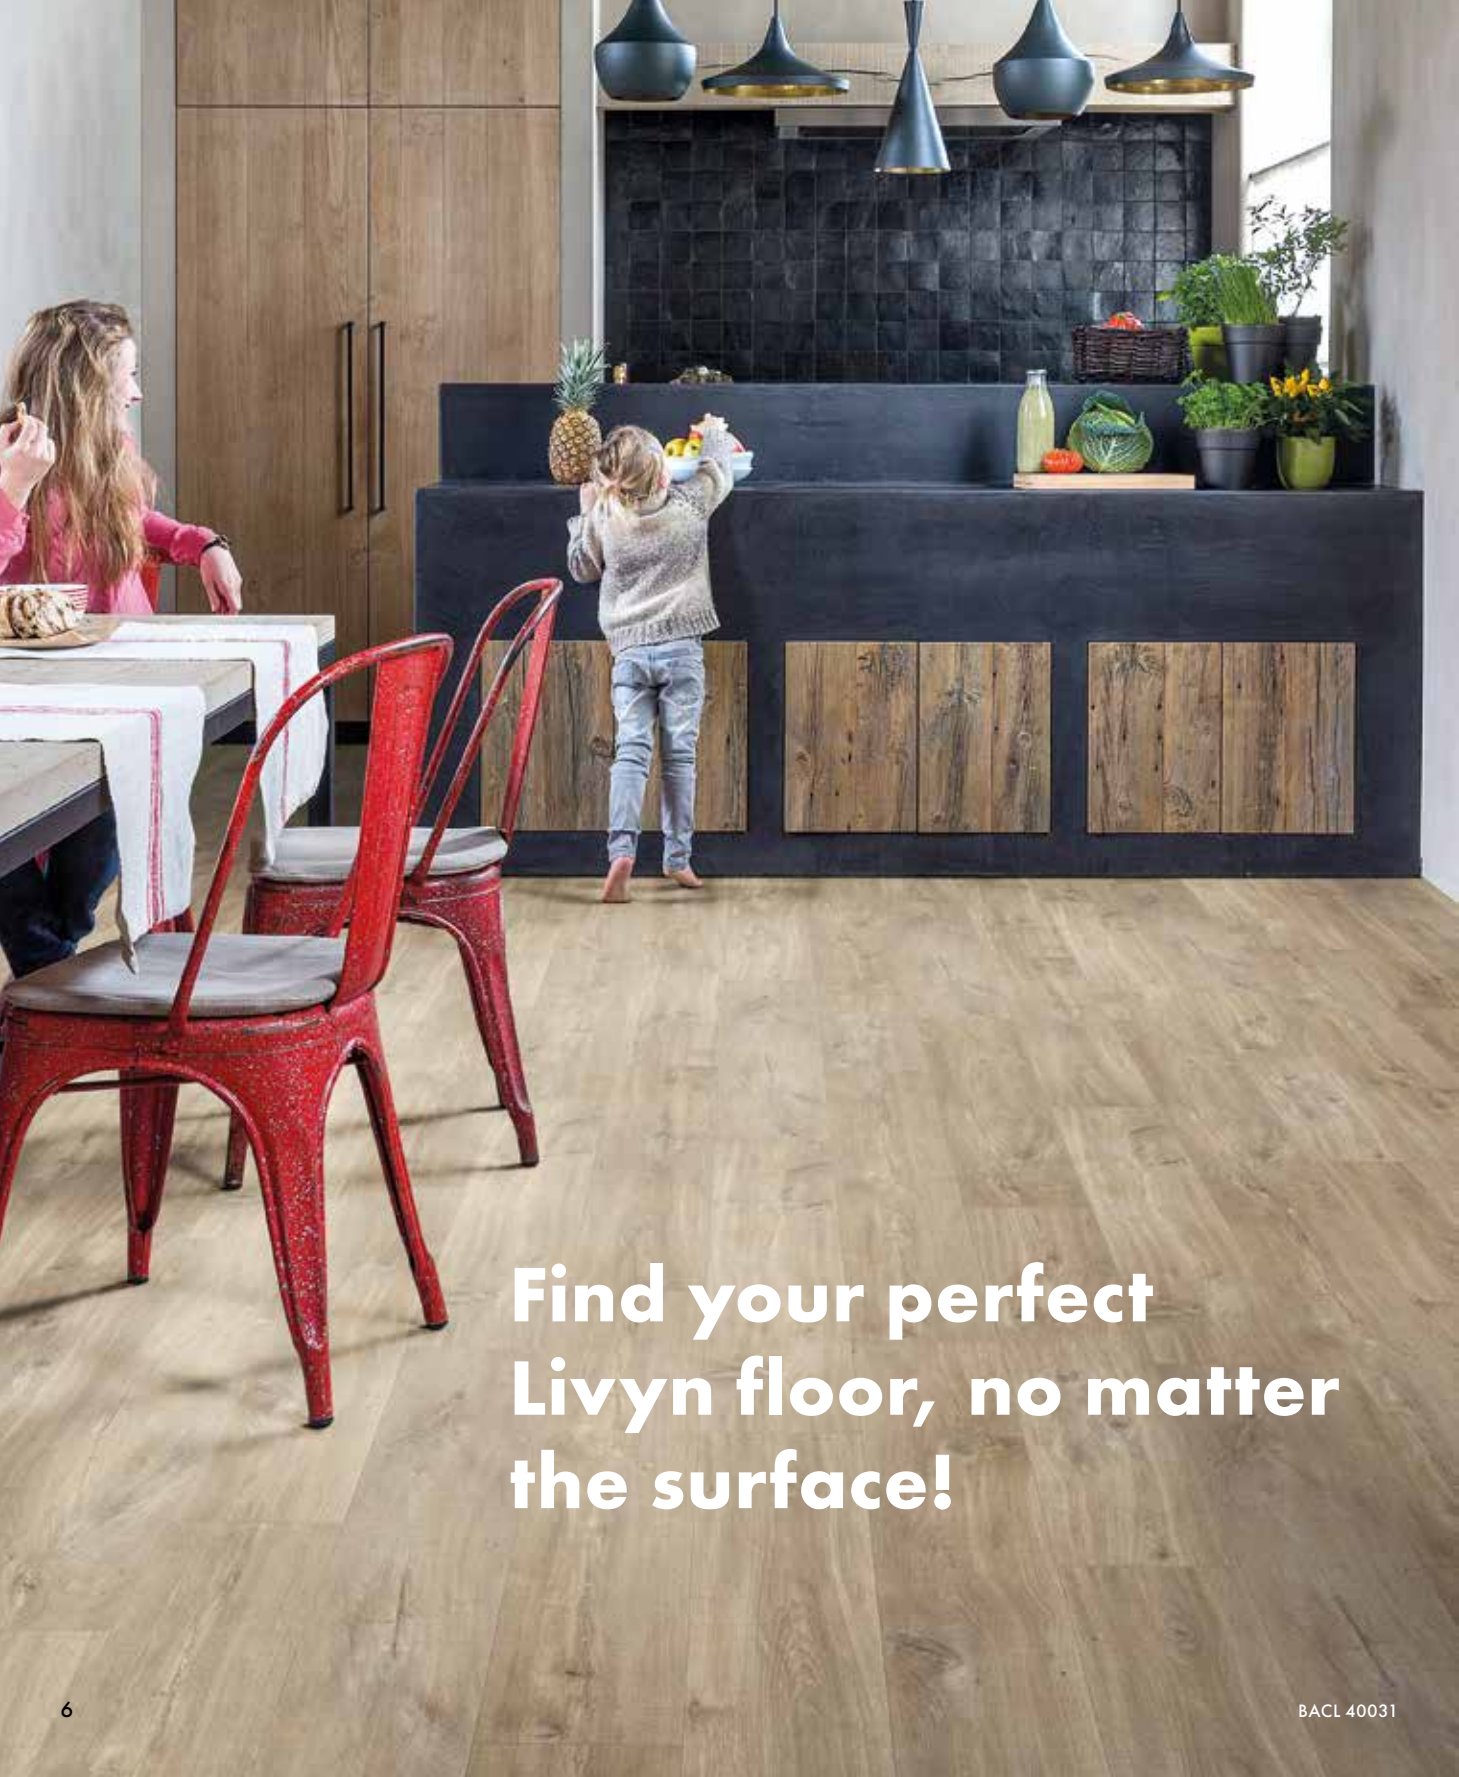
## Make it click

All our luxury vinyl floors are equipped with the Uniclic® Multifit or Uniclic® installation system, especially designed for Livyn. This ensures a worry-free installation, even in tight corners and under doors or radiators.

UNICLIC MULTIFIT PATENTED TECHNOLOGY FOR LIVYN
UNICLIC PATENTED TECHNOLOGY
LIFETIME UNICLIC MULTIFIT WARRANTY DOMESTIC USE

### Flexible vs rigid: what's the difference?

Not sure whether you need flexible or rigid luxury vinyl? Discover the ideal solution for your project on p. 6-9.



# Find your perfect Livyn floor, no matter the surface!

# A luxury vinyl floor for every type of surface

Whether you prefer a rigid or flexible Livyn floor, you will certainly find a flooring design that suits your taste. Inspired by nature, our luxury vinyl floors are nearly indistinguishable from real wood and tile flooring. Lively colours, distinguished patterns, edgy structures, ultra-fine details,... There is a floor for every taste, room or project.

All Quick-Step Livyn floors have a standard set of advantages:

- **Waterproof:** the water-repellent layer makes Livyn ideal for bathrooms and kitchens. It also makes it super-easy to clean!
- **Soft and warm:** Livyn floors are a pleasure to walk on, even barefoot.
- **Silent:** luxury vinyl flooring offers significant acoustic advantages.
- **Easy to install:** the Uniclic® Multifit or Uniclic® installation system ensures a worry-free installation.
- **Beautiful, nature-inspired designs:** choose from a wide range of natural-looking wood and stone designs.

NEW

### Rigid flooring: no surface preparation needed

Our new rigid luxury vinyl planks, however, offer an important extra convenience: you don't have to perfectly level the surface before installation. Just install your underlay, and you're good to go!

### Not sure which floor to choose?

We help you pick the best Livyn floor for your project on p. 8-9.

### How to install your Livyn floor?

Installing a Livyn floor is very easy. Don't believe it? Let us help you with our installation videos at bit.ly/ytquickstep

# Create your own living space

More inspiration on
www.quick-step.co.uk

A beautiful interior starts with a good foundation. The floor could be considered as the fifth wall and therefore it should not be overlooked. Whatever your style, whatever your room, Quick-Step has the right floor: from light, clean floors to warm brown classics and even reclaimed floors with knots and cracks. We will help you to find your perfect floor!

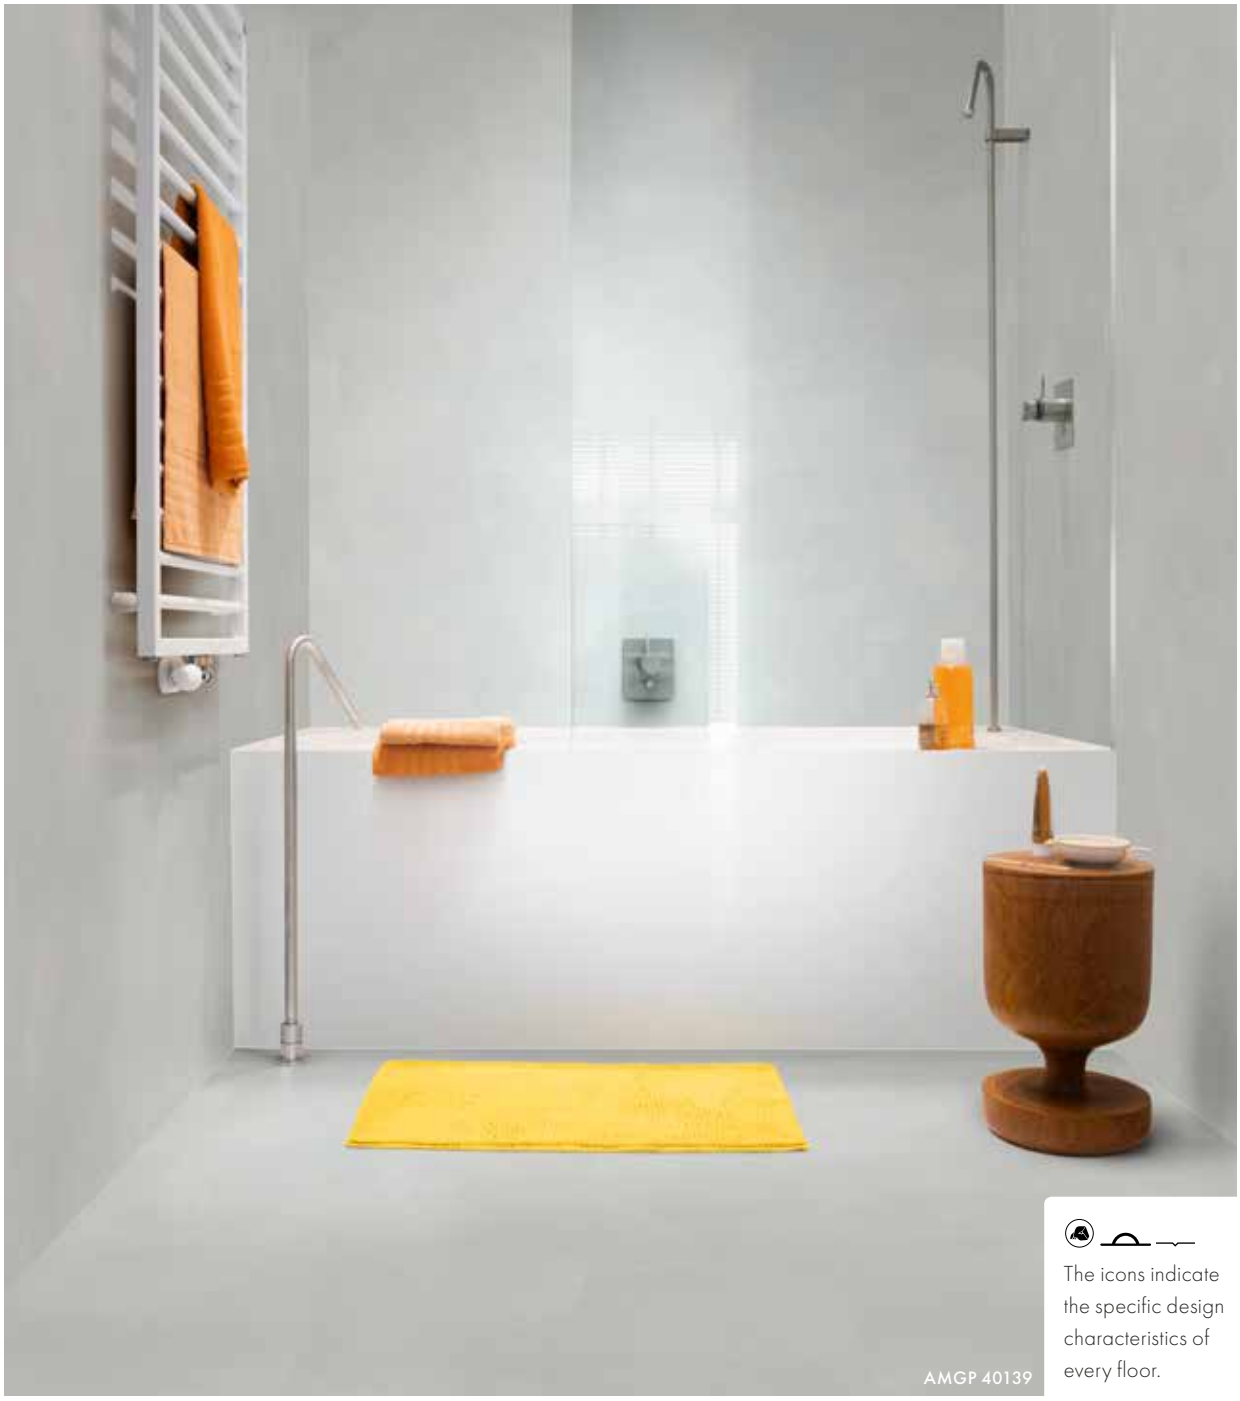
## DISCOVER YOUR PERFECT FLOOR ON WWW.QUICK-STEP.CO.UK

# The details make the difference

Each luxury vinyl floor has its own story and a unique look and feel. The Quick-Step designers carefully select the structure, treatment, finishing and bevel, perfectly in line with the character of each floor design.



AMGP 40139

The icons indicate the specific design characteristics of every floor.

## Structure

### Elegant wood structure

A subtle surface texture with a fine grain structure that gives a wood effect with a very natural look and feel.

### Natural wood structure

A surface texture where the grain, knots and cracks that are visible in the design can also be felt in the surface structure. Just like real wood.

### Intense wood structure

This distinct structure has varying depths and gloss levels accentuating the knots and cracks. The design and surface structure is more pronounced than the natural wood structure.

### Stone structure

A surface texture that realistically displays the structure of a stone pattern.

## Treatment

### Brushed

A surface effect that gives the appearance of brushed wood. The brushed treatment adds depth and authenticity to a Livyn floor.

### Saw cut

This effect gives the impression of rough sawn wood thanks to the visible and tangible saw cuts.

## Finishing

### Matt finish

A matt gloss giving the floor a very natural look.

## Bevel

### Rustic bevel

Distinctive dark coloured bevel emphasising the rustic and reclaimed character of the floor.

### Modern bevel

The bevel defines the plank edges resulting in a clean, modern look.

### Nano bevel

Fine nano-beveled edges offer the look of a minimalistic, modern floor.

# Going vertical

# Install Quick-Step luxury vinyl on walls

AMGP 40136

AMGP 40140

Did you know that Quick-Step luxury vinyl flooring can be applied to wall surfaces as well? This makes it possible to extend the aesthetics of your floor to one or more walls of your interior and creates a unique and stylish sense of space. It's even possible to install Quick-Step Livyn in the shower!

## 4 golden rules

1. **Use glue-down Livyn floors:** pick your favourite from our Pulse, Balance or Ambient Glue+ collection.

2. **On a wall:** start from a flat and dry surface and use an appropriate adhesive (e.g. Ultrabond ECO MS 4LVT/wall,...).

3. **In a shower:** start from a flat, dry and vapour-proof surface.

4. **Installation:** always read the specific installation instructions at www.quick-step.co.uk

**STEP 1**
**INSTALLATION**

# Install your floor without hassle!

### 1 Easy installation thanks to the click systems

Our Uniclic® Multifit and Uniclic® click systems are developed especially for Livyn floors, making them fast and easy to install. The improved drop-down technology provides extra strength thanks to the vertical and horizontal locking.

### 2 Install Livyn on underfloor heating and cooling

Thanks to the excellent thermal conductivity, Livyn floors are suitable for installation over standard underfloor heating and cooling.

**For more information:**
**visit www.quick-step.co.uk**

### 3 Renovation friendly

Livyn floors are thin so they can easily be laid on top of existing floor coverings. This will save you a lot of removal effort and let you renovate your space without any hassle.

## Installation tools

Install your vinyl floor in an easy and professional way with the handy Quick-Step Livyn installation tool and knife.

Quick•Step®
**STARTERSKIT**
Contents: Quick-Step knife, Installation tool, Clean for Livyn (750 ml)

Quick•Step®
**KNIFE**

Quick•Step®
**REFILL**
1 PC = 40 blades

Quick•Step®
**LIVYN INSTALLATION TOOL**

Quick•Step®
**INSTALLATION SET**
Only for Rigid Click/Click+

Quick-Step Livyn floors can be installed in two different ways: floating or glued down.
**For a perfect installation, check out the installation videos on bit.ly/ytquickstep**

# Simply choose click or glue

## CLICK

Installing your Livyn floor is easy thanks to the patented Uniclic® Multifit and Uniclic® click systems. A good underlay has a major impact on the final look, quality and comfort of your Quick-Step Livyn floor. Use a Basic underlay for all common installations. For situations with high temperature variations (e.g. conservatory), use the Livyn Sunheat underlay. For the best sound reduction to the room below, use the Transitstop underlay (only in combination with our rigid floors).

- A Quick-Step underlay levels and helps to prevent small irregularities.
- It provides excellent acoustic insulation and reduces creaking noises when you walk across the floor.
- Suitable for floor heating and/or cooling.

Quick•Step®
**BASIC LIVYN UNDERLAY**
QSVUDLBASIC15
Contents:
1 roll = 15 m²
Thickness: 1 mm

Quick•Step®
**SUNHEAT UNDERLAY**

Quick•Step®
**TRANSITSTOP UNDERLAY**
QSVUDLTRS15
Contents:
1 roll = 15 m²
Thickness: 1,5 mm
Only for Rigid Click/Click+

## GLUE

The Quick-Step Livyn Glue+ ranges should also be glued down.
In conjunction with the glue specialist Soudal, Quick-Step developed a high quality glue especially for Livyn.

- Spreads easily and guarantees fast adhesion.
- Damp-proof.
- Suitable for floor heating and/or cooling.

Quick•Step®
**LIVYN GLUE**
15kg: QSVGLUE15 = for +/- 50 m²
6kg: QSVGLUE6 = for +/- 20 m²

Quick•Step®
**LIVYN TROWEL**
QSVA2
The Livyn glue trowel ensures the perfect glue consumption per m². To be ordered separately.

**STEP 2**
**FINISHING**

# Finish perfectly

Finish your floor perfectly with the Quick-Step skirtings and profiles.

## Skirting boards

**ONE4ALL GLUE**
290 ml QSGLUE290
The skirting boards and profiles can be installed swiftly and securely with the Quick-Step One4All glue.

# Finishing profiles for floor and stairs

## Quick·Step® Incizo®: four questions, one answer

Quick-Step's Incizo® profile is a multifunctional finishing tool. One and the same profile can be used for all the finishes of your floor and stairs, in the matching colour. Simply cut the Incizo® basic profile to the shape required using the supplied slitter. The multifunctional profile can be used to:

1. merge two floors that are the same height
2. finish your floor along a wall or window
3. solve variations in height from one floor to another
4. cover your stairs or steps

Quick·Step®
**INCIZO® PROFILE**
QSVINCP(-)
32 x 7 x 2000 mm
Contents: 1 Incizo®, 1 slitter, 1 plastic rail
Only for Rigid Click/Click+

With the exception of the rigid collections, all Quick-Step vinyl floors can be installed without expansion joints and finishing profiles. When installing rigid floors, take into account an expansion joint every 13 metres.

## Metal finishing profiles for stairs and steps

Quick·Step®
**STAIR PROFILE GLUE INNER CORNER**
2000 x 25 x 25 mm

Quick·Step®
**STAIR PROFILE GLUE OUTER CORNER**
2000 x 26 x 40 mm

Quick·Step®
**STAIR PROFILE CLICK**
2000 x 15 x 30 mm

## Finishing tools

Quick•Step®
**KIT**
310 ml QSKIT(-)

Elastic, acrylic-based paste. Use it to fill gaps in a matching colour.

Only for Glue+/Rigid

Quick•Step®
**HYDROKIT**
310 ml QSKITTRANSP

The Quick-Step Hydrokit is a transparent silicone for an invisible and waterproof finishing.

Quick•Step®
**RADIATOR COVER**
Contents: 2 radiator covers per package
QSRCINOX15/22

The pipe covers (in stainless steel) allow you to finish heating elements and pipes. Available in two diameters: 15 mm or 22 mm.

**STEP 3**
**CLEANING**

# Keep your floor in top condition

Quick•Step®
**CLEANING KIT**
Contents: mop holder, washable microfiber mop, Quick-Step Cleaning product 1000 ml

The cleaning products are specifically developed for Quick-Step floors. They cleanse the floor surface thoroughly and maintain the original look of your floor. No residual layers of cleaning product are left behind.

Also available separately:
Quick•Step® **CLEANING PRODUCT 2,5 L**
QSCLEANING2500
Quick•Step® **CLEANING PRODUCT 1000 ML**
QSCLEANING1000
Quick•Step® **CLEANING MOP**
QSSPRAYMOP

## We invest in energy-efficient production

We generate energy out of internal waste.
The Livyn production plant uses this as its main source of power.

We continue to minimize our water use. 97% of our water supply for production is recycled water and more than 1000 m³ rainwater is reused.

## We use carefully screened raw materials

Quick-Step Livyn does not contain any harmful substances.
We only use phthalate free plasticizers.*

Our internal waste is 100% recycled.

## Quick-Step livyn is a safe and extremely durable floor

Thanks to the perfectly sealed surface, the emission of volatile organic compounds is over 50 times lower than the most stringent European norm.

Thanks to the Scratch & Stain Guard technology, dirt can just be wiped off the floor, keeping the floor hygienic.
No aggressive cleaning agents needed.

* The same phthalates can be used in PVC for kids toys or food packaging purposes.
