# THE UK'S BIGGEST SUPPLIER OF SURFACE INSPIRATION. IT'S GOT TO BE IDS.

IDS is accredited with ISO 9001, ISO14001 and (BS) OHSAS 18001, demonstrating our commitment to the highest standards of quality, health and safety and environmental management.

## EXCELLENCE IN DISTRIBUTION

We are the UK's largest distributor of decorative surfaces specialising in flooring, worktops, laminates, compact, panel products, solid surface and wall panelling. With an annual turnover of more than £120 million we take the business of fulfilling our customers' needs very seriously. To this end, our network of regional branches offers the benefits of nationwide coverage, while being especially responsive to needs at a local level.

We are 100% committed to distribution, investing constantly in a best in class nationwide network that can cope with the dynamics of our industry, delivering products on a Just in Time basis. Our 90,000 sq ft Central Distribution Hub is linked to our regional branches, which total over 500,000 sq ft of warehousing across the UK. We make more than 2,000 daily deliveries using our fleet of over 100 vehicles achieving a 99% on-time, in-full, service record.

## UNRIVALLED PRODUCT CHOICE AND CUSTOMER SERVICE

As experts in global sourcing our product portfolio is unparalleled, providing the most comprehensive choice of specialist products from the biggest brands in the industry. With a stockholding of more than 12,000 product lines, IDS gives you immediate access to complete surfacing solutions. This unrivalled product choice is further enhanced by the professional product specialists within our dedicated sales teams.

At IDS it's simple: One point of contact. One phone call. One order. One delivery. One invoice. We're easy to do business with, saving time and improving our customers' productivity and efficiency.

For convenience and flexibility, we offer a 24/7 online trading solution via Webstore. Registered trade customers have full access to our entire flooring, worktop, laminate and wall panelling portfolio, allowing them to manage their account, search and download information, order products and track deliveries.

## WORKING PARTNERSHIPS

Our company ethos is to 'grow by helping our customers and suppliers grow', whether you are a customer or a supplier we believe in building long lasting relationships.

Our mission is to deliver genuine value to our partners, offering a personalised service, advice and support with business benefits that promote opportunities for mutual growth and prosperity.

At IDS innovation is in our DNA, offering new and exciting products from leading brands, as well as providing value added services such as bespoke digital print and speedy sampling. As an IDS partner, businesses have gained significant competitive advantage through use of our flexible distribution network and exclusive access to some of the most innovative products on the market.

## COMMITTED TO SUSTAINABILITY

When buying from IDS you can be confident that you are trading in goods that are from legal, ethical and sustainable sources. 100% of our wood based products are EUTR compliant and 80% are either FSC® or PEFC™. We have held Chain of Custody since 2005 and offer certified FSC® or PEFC™ options across each of our main product areas, including flooring, worktops, panel products, wall panelling, laminates and compact.

In addition, highly efficient route planning of all our vehicles keeps our carbon emissions as low as possible. We also recycle and bale cardboard, plastic and timber across all of our branches.

# LAMINATE

We bring together the industry's biggest names in laminate including Formica®, Polyrey®, Resopal®, Merino and Fundermax to create a comprehensive choice, and with a variety of sheet sizes, digital print options plus 24-48 hour delivery on ex-stock items, we're number one for laminate! In addition to this, we offer a range of backing and white liner laminates to suit all budgets, with a matt or texture finish, along with an FSC® option.

# COMPACT

Our Compact portfolio comprises a huge variety of colours, textures, thicknesses and sheet sizes from the industry's leading brands. A self supporting, prefinished product which is CE compliant, high impact resistant and waterproof, Compact is the ideal product for wall linings, lab worktops, washrooms, lockers and cubicle systems. However Compact is not just a washroom product; Formica® offer Vivix for external use, Polyrey® Reysitop is furniture grade hardwearing, and Abet supply a labgrade product.

# DECORATIVE PANEL

Our comprehensive range has been developed to enable customers to source all of their panel product requirements from one supplier. From raw boards, MFC, MDF, CDF, matching edging tape and more, we have access to a huge variety of materials from the industry's leading manufacturers to ensure that we can fulfil any request. With a vast choice of sheet sizes and thicknesses, cutting edge textures and in line registration, we are continuously investing in product development and innovation to provide our customers with the latest products and broadest portfolio possible. In addition, our product offer is supported with dedicated Panel Specialist branches who can be contacted on 0845 023 0376.

# WALL PANELLING

Our selection of wall and ceiling panelling is unrivalled. Bringing together the industry's leading brands to offer waterproof panels for bathrooms and wetrooms, ceiling panels that can be applied directly over Artex, decorative panels that negate the need for plasterboard, and tough, hardwearing wallcoverings for commercial and public areas; our portfolio is vast. With a broad palette of colours and designs spanning marbles, stones, woodgrain effects, plain colours and more, we have a stunning solution for any style. Added to this is our bespoke digital print option to create a unique look in both domestic and commercial settings – anything is possible!

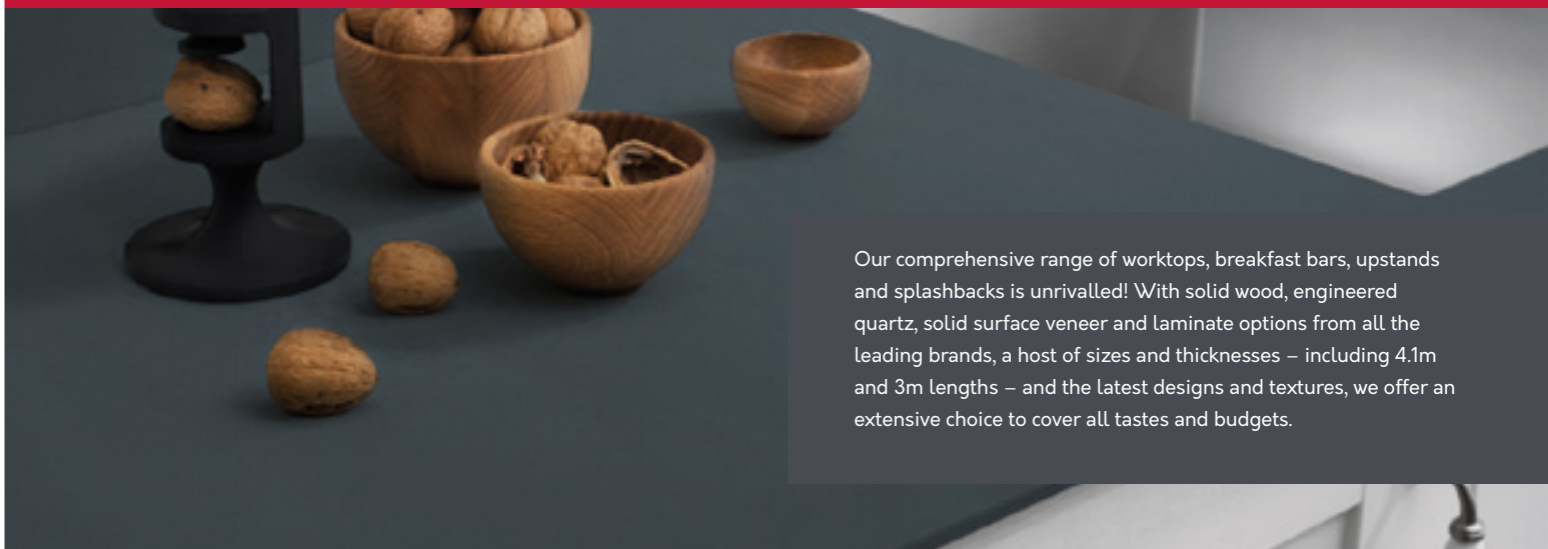

# FLOORING

With a vast portfolio spanning real wood, vinyl and laminate, we offer flooring suitable for any application including domestic and commercial, as well as a number of waterproof options. With a colour and texture to suit any style or specification, our on-trend products are also hardwearing and durable and supported with installation accessories and underlays. Combining premium brands with next day delivery, we can meet any requirement!

# WORKTOPS

Our comprehensive range of worktops, breakfast bars, upstands and splashbacks is unrivalled! With solid wood, engineered quartz, solid surface veneer and laminate options from all the leading brands, a host of sizes and thicknesses – including 4.1m and 3m lengths – and the latest designs and textures, we offer an extensive choice to cover all tastes and budgets.

SINKS & TAPS

Our stylish portfolio of sinks and taps perfectly complements our comprehensive worktop range, providing a complete solution for any kitchen.

The Tuscan Sink and Tap Collection offers a variety of sink styles across different materials including stainless steel, granite and ceramic. With a selection of taps to mix and match with, including Bollente for steaming hot water in an instant, the range caters to all tastes and budgets. Basix Sink & Tap Packs offer great value for money.

SOLID SURFACE

Our premium quality solid surface materials offer a large variety of decors, sheet sizes and thicknesses, providing a beautiful solution for both domestic and commercial interiors. Acrylic solid surface material can be cut, shaped, moulded and thermoformed to create truly stunning design-led looks to suit any concept or project.

RELATIONSHIPS ARE AT THE HEART OF OUR COMPANY’S ETHOS AND WE ARE PROUD TO BE WORKING WITH ALL OF THESE TRUSTED BRANDS
