BEAUTY ON THE SURFACE. AND BENEATH LIES AN AIM TO EXCEL IN

SUSTAINABLE SOLUTIONS

When buying from IDS you can be confident that you are trading in goods that are from legal, ethical and sustainable sources.

100% of our wood based products are EUTR compliant and 80% are either FSC® or PEFC™. We have held Chain of Custody since 2003 and offer certified FSC® or PEFC™ options across each of our main product areas, including flooring, worktops, panel products, wall panelling, laminates and compact.

In addition, highly efficient route planning of all our vehicles keeps our carbon emissions as low as possible. We also recycle and bale cardboard, plastic and timber across all of our branches.

Look for FSC® certified products

SERVICE AT OUR CORE

Our philosophy is clear: with our commitment to a stockholding of over 12,000 product lines, we provide customers with the widest design choice, product quality and competitive pricing from the finest industry brands.

INNOVATION WITHIN

At IDS innovation is in our DNA.

We offer exclusive access to some of the most innovative products on the market.

It's got to be IDS.

PARTNERSHIPS AT OUR HEART

Our company ethos is to 'grow by helping our customers and suppliers grow'. We believe in building long lasting partnerships, whether you are a customer or a supplier.

It's got to be IDS.

OVER 20 YEARS OF GREAT SUCCESS

Celebrating over 20 years of innovation, beautiful finishes and amazing service – supplying over 12,000 products, a nationwide network, next day delivery and immediate access to complete surfacing solutions.

It's got to be IDS.

DIVERSITY IN EVERY AREA

Diversity and inclusion is reflected in our people and the innovative product solutions that we offer.

It's got to be IDS.

EVERY AREA OF OUR BUSINESS

**Big on surfaces.
Big on service.

MALMO™

The Malmo™ LVT range provides a stylish solution suitable for a wide variety of high-end commercial and domestic applications. It offers two installation methods across three collections; Rigid Senses, Rigid Comfort, and Stickdown Freedom.

All Rigid products feature an SPC core, Välinge 5G click installation system, and underlay already attached for convenience and increased sound absorbency.

The award-winning Rigid Senses collection features a registered embossed texture perfectly in line with the visual pattern of the woodgrain, with selected decors featuring a Pressed Bevel with eased plank edges.

Freedom Stickdown products are incredibly versatile and are ideal for use in conservatories, new builds and commercial areas – with no need for expansion gaps or door profiles.

FEATURES & BENEFITS

- Available in plank, multi-width, herringbone and tile formats.
- Compatible for use with water piped underfloor heating systems.
- Freedom is suitable for use in conservatories as stickdown installation provides extra stability.
- Aluminium Oxide coating as standard on all Freedom designs for enhanced wear and slip resistance (+36PTV).
- Up to 25 year residential and 10 year commercial warranties.
- Subfloor preparation and adhesive products available.

APPLICATION

Domestic

- Including kitchens, bathrooms, conservatories and garden rooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

QUICK-STEP ALPHA

Capture the beauty and feel of real wood or stone with Alpha rigid vinyl flooring from Quick-Step.

These rigid, high performance floors are inspired by key trends, with an extra-matt top layer and bevelled plank edges for true authenticity.

100% waterproof with a watertight click system and Hydroseal technology, Alpha is impact resistant with a unique top layer that also protects against scratches, stains and indentations.

As you'd expect from Quick-Step, Alpha is easy to install thanks to the patented Uniclic system, and colour matched accessories are available for all designs.

FEATURES & BENEFITS

- Broad selection of herringbone, plank and tile designs.
- Underlay pad already attached.
- Suitable for DIY installation.
- 100% watertight Hydroseal.
- Impact, scratch and stain resistant.
- Planks and tiles feature the patented Uniclic installation system.
- Herringbone designs use the innovative Unizip installation system, removing the need for A and B planks.
- 25 year domestic use warranty.

APPLICATION

Domestic

- Including kitchens, bathrooms, conservatories and garden rooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

BERRYALLOC PURE

BerryAlloc Pure LVT is 50% quieter underfoot than other LVT flooring. The unique Dreamclick® installation system offers 360 degree multidirectional installation, allowing scope to create patterns and designs including mixing and matching tiles and planks in the same area with no transition strips. Water resistant, R11 slip resistant, and compatible with water-piped underfloor heating systems, Pure is supported with a lifetime residential warranty and a 10 year commercial warranty.

FEATURES & BENEFITS

- 0.55mm wear layer.
- 50% quieter underfoot than other LVT floors.
- Unique DreamClick® system offers 360 degree multidirectional installation.
- Tile designs are 612 x 612 x 5mm.
- Planks measure 1326 x 204 x 5mm.
- Lifetime residential warranty.
- 10 year commercial warranty.

APPLICATION

Domestic

- Ideal for wet areas and areas of high humidity, including kitchens & bathrooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

BERRYALLOC LIVE

Live LVT from BerryAlloc offers a great selection of stylish plank and tile designs. Lightweight at only 3.8mm thick, it's ideal for installation over existing hard floorcoverings such as tiles or wood.

360 degree multidirectional installation is made possible with the DreamClick® system, which facilitates the use of tiles and planks in the same area with no transition strips. Water resistant, R10 slip resistant, and compatible for use with underfloor heating, Live offers a 15 year residential warranty and a 3 year commercial warranty.

FEATURES & BENEFITS

- 0.3mm wear layer.
- DreamClick® system offers 360 degree multidirectional installation.
- Tile designs are 612 x 306 x 3.8mm.
- Planks measure 1326 x 204 x 3.8mm.
- 15 year residential warranty.
- 3 year commercial warranty.

APPLICATION

Domestic

- Ideal for wet areas and areas of high humidity, including kitchens & bathrooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

LIVIT

LiViT rigid luxury vinyl flooring provides a selection of authentic woodgrain, stone, slate and marble designs suitable for domestic or light commercial use.

Water resistant and hardwearing, LiViT can be installed over water piped underfloor heating systems making it particularly ideal for use in bathrooms and kitchens. The patented i4F click system enables quick and easy installation, and with a 1mm foam underlay already attached it can even be laid directly over existing hard floorcoverings (such as tiles or wood) with minimal fuss.

FEATURES & BENEFITS

- Available in plank and tile designs.
- Water resistant.
- Easy to cut.
- Underlay attached.
- i4F click installation technology.
- Compatible for use with water piped underfloor heating systems.
- Slip resistant.
- Hardwearing and durable.
- Warranty: 10 years domestic, 5 years commercial.

APPLICATION

Domestic / Light commercial

- Ideal for wet areas and areas of high humidity, including kitchens, bathrooms and en-suites.

KÄHRS

Kährs Luxury Tiles have been designed for domestic and commercial environments where a beautiful and hardwearing floorcovering is needed. The rigid SPC substrate and 5G locking technology combine to provide easy installation, creating a durable and stable solution. All floors can be installed over an existing hard floorcovering, making them ideal for use in renovation projects. Available in XXL Tiles with integrated underlay, and Herringbone designs which beautifully replicate the look and feel of real wood parquet.

FEATURES & BENEFITS

- XXL Tiles
 - 457 x 914 x 6mm.
 - Embossed finish with micro bevel.
 - Integrated underlay, reducing sound by up to 20dB.
- Click Herringbone
 - 720 x 120 x 5mm.
 - A and B planks.
 - 5Gi click system.
- Rigid SPC core.
- Phthalate free.
- Water, scratch, dent and slip resistant.
- Compatible for use with underfloor heating.
- Warranty: 20 years domestic, 5 years commercial.

APPLICATION

Domestic

- Including kitchens and bathrooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

BERRYALLOC OCEAN+

The Ocean+ laminate flooring collection features 50 impressively natural matt designs, combined with 100% water resistance thanks to BerryAlloc's innovative hydro+ technology.

A hydrophobic coating is applied to all sides of the plank during the laminate manufacturing process, repelling water away from joints. Combined with the unique DuoLoc secure locking installation system which delivers excellent strength and high dimensional stability, hydro+ makes Ocean+ completely water resistant as soon as it leaves the factory.

FEATURES & BENEFITS

- 100% water resistant hydro+ technology.
- 50 beautiful designs.
- Versatile Class 23/32 8mm laminate.
- High dimensional stability due to the extremely strong DuoLoc click system.
- Solid HDF core.
- Sustainably produced and PEFC™ certified.
- Lifetime residential use warranty.
- 5 year commercial warranty.

APPLICATION

Domestic

- Ideal for wet areas and areas of high humidity, including kitchens & bathrooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

BERRYALLOC CHATEAU

The Chateau 8mm laminate floor collection from BerryAlloc provides the versatility and design-led attention-to-detail that is synonymous with traditional parquet floors, but with all the practicality of laminate. Comprising 15 wood designs, the Chateau collection provides the flexibility for installing in herringbone, shipdeck, ladder and mosaic configurations.

Featuring bevels to all four sides of the plank for a more authentic effect, Chateau is durable, scratch resistant, easy to clean and comes with a lifetime residential warranty.

FEATURES & BENEFITS

- 8mm laminate construction.
- 15 designs.
- Can be installed in herringbone, shipdeck, ladder and mosaic configurations.
- Four-sided bevel gives an authentic look.
- Premium feel matching accessories.
- PEFC™ certified.
- Lifetime residential warranty.

APPLICATION

Domestic

- Including kitchens, conservatories and garden rooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

QUICK-STEP LAMINATE

Quick-Step is the UK's leading brand of laminate flooring.

Offering a broad range of styles, decors and textures, the vast majority of the Quick-Step collection features Hydroseal technology, giving the water resistance needed for installation in kitchens and bathrooms. Quick-Step is the ultimate laminate floor.

FEATURES & BENEFITS

- Extensive décor options across wood and tile effect designs.
- Thicknesses from 8mm to 12mm.
- Uniclic locking system for quick and easy installation.
- Suitable for use with underfloor heating systems.
- Will not discolour in sunlight.
- A full accessory package is available to complement this vast collection of over 150 designs.

APPLICATION

Domestic / Light commercial

XTRA STEP

Xtra Step 12mm water resistant laminate flooring is available in six stylish wood effect designs including elegant greys, fashionable greige and classic oak.

Featuring Aqua Protect technology for enhanced water resistance, Xtra Step is suitable for use in environments including kitchens and bathrooms. The robust 12mm thickness and easy Uniclic installation make it ideal for refurb, new build and DIY projects alike.

FEATURES & BENEFITS

- 12mm water resistant laminate flooring.
- 6 stylish woodgrain designs across 3 surface textures.
- Comprehensive range of colour matched accessories.
- Aqua Protect technology.
- Patented Uniclic installation system.
- Compatible for use with underfloor heating systems.
- PEFC™ certified.
- 25 year residential warranty.
- 5 year commercial warranty.
- 3 year wet area warranty.

APPLICATION

Domestic

- Including kitchens, bathrooms and garden rooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.

SWISS KRONO

The Swiss Krono laminate flooring range perfectly replicates the look and feel of genuine wood flooring. With an amazing array of designs, the collection includes synchronised textures; oversized planks up to 2025mm long and 244mm wide; Aquastop water resistance for up to 72 hours; and antibacterial, anti-scratch and anti-static qualities.

Crafted from 100% natural materials, all wood used is sourced from sustainably managed forests and is FSC® certified.

FEATURES & BENEFITS

- Diverse colour palette.
- Oversized planks up to 2025mm long and 244mm wide.
- 14mm, 10mm, and 8mm thicknesses.
- 5G and Aqua Pearl installation systems.
- Water resistant options.
- Up to AC5/class 33.
- FSC® certified and sustainably sourced.
- Up to 35 years residential use warranty.

APPLICATION

Domestic / Commercial

- Selected designs suitable for use in wet areas and areas of high humidity, including kitchens & bathrooms.

FAUS

Offering a range of stunning designs including vintage tile, chevron, herringbone and marble effects, the FAUS laminate flooring collection offers a stylish, design-led look. With microbevels to the edges of the planks, the RealFeel hyper-realistic woodgrain texture and an Ultra Matt finish for the authentic effect of sawn wood, you can be sure that every small detail is covered.

Highly durable, it's suitable for use in both domestic and commercial applications, including in wet areas such as kitchens and bathrooms. The water repellent HDF core board combines with Aqua-0 technology to create an impermeable surface giving water resistance for up to 72 hours after spills.

FEATURES & BENEFITS

- Modern and realistic designs including tile, woodgrain, chevron, herringbone and parquet.
- Broad wood-effect colour palette spanning natural, classic, and grey tones.
- Tile collection includes vintage designs; a grey stone; large format concrete effect; and monochrome marbles.
- Water resistant – suitable for use in kitchens and bathrooms.
- Compatible for use with underfloor heating systems.
- AC6 abrasion resistance.
- FSC® and PEFC™ certified.
- Lifetime guarantee for domestic use.
- 5 year commercial use guarantee.

APPLICATION

Domestic / Light commercial

- Ideal for wet areas and areas of high humidity, including kitchens and bathrooms.

LAMINATE FLOORING

KRONO ORIGINAL

Krono Original offers a comprehensive range of laminate flooring, with a broad selection of decors and finishes supported with an easy installation drop loc system.

In addition, Kronowall 3D wall panelling is a simple and effective way to transform the look of your walls. This heat and moisture resistant solution can be fitted in uniform, staggered or 'random' patterns, to enable you to conceal cables and install built in lighting.

FEATURES & BENEFITS

- Extensive décor choice incorporating tile and wood options with a hand scraped effect.
- Range from 8mm to 12mm thickness.
- Click system for quick and easy installation.
- Suitable for use with underfloor heating.
- Hand scraped and gloss finishes.
- Selected decors feature Aquastop surface protection that provides an added benefit for high moisture areas such as kitchens.
- FSC® certified.
- Suitable for multiple applications and budgets.

APPLICATION

Domestic / Light commercial

BERRYALLOC HPF

BerryAlloc High Pressure Floors are crafted to deal with extremes. Marking the next development phase in hard floorcoverings, HPF provides a tough yet stylish solution; the revolutionary AluLoc 5G glue-free locking system can tolerate weight loads of up to 1200kg per linear metre.

Available in large planks up to 300mm wide and 2.4m long, all designs across the Original, Grand Avenue and Grand Majestic collections include the underlay pad attached to each plank.

FEATURES & BENEFITS

- 30 stylish designs.
- Comprehensive range of colour matched accessories.
- AC6 scratch resistant wear layer.
- AluLoc 5G glue-free aluminium locking installation system.
- Underlay pad attached.
- Water resistant core.
- PEFC™ certified.
- Lifetime residential and 10 year commercial warranty.

APPLICATION

Domestic

- Including kitchens, bathrooms, conservatories and garden rooms.

Commercial

- Shops • Salons • Hotels • Offices • Care homes • Restaurants & bars.
