## Washroom Collection

 **SWISS KRONO**

Exclusively available from IDS

t 0845 7 298 298 e: [info@idsurfaces.co.uk](mailto:info@idsurfaces.co.uk) w: [www.idsurfaces.co.uk](http://www.idsurfaces.co.uk)

  
International  
Decorative Surfaces

Highly moisture resistant

Easy to clean and maintain

FR certified to EuroClass B = B-s2.d0

Impact resistant

Lightweight

Cost-effective

Scratch and wear resistance

Wide range of décors and textures

Environmentally friendly

Lightfast

Easily machined

## Committed to the Environment

Swiss Krono CDF is processed using 95% renewable energy, and is FSC® certified as standard (PEFC™ certified on request). 100% recyclable, it can also be burnt in biomass to create energy at the end of its lifespan.

The mark of responsible forestry  
Look for FSC certified products

**The Swiss Krono CDF collection provides a hardwearing and stylish solution for a number of applications.**

Ideal for use in cubicles and washrooms, it can also be used in laboratories, retail interiors, schools and universities for lockers, desks, wall panelling, counter tops and more.

CDF is 30% lighter than Compact laminate and doesn't require any special tooling or fittings so is quicker to cut and profile, offering a significant cost saving.

Our UK stock range offers a choice of 12 popular colour and woodgrain designs, all available for 24-48 hour delivery throughout the UK. In addition, each décor is also available in both MFC and laminate sheets to ensure a complete solution.
