

THE STYLISH
ALTERNATIVE TO TILES

info@showerwall.co.uk

www.showerwall.co.uk

0845 604 7334

A RESPONSIBLE CHOICE...

Showerwall is manufactured in the UK using the latest equipment and techniques, providing a technically sound and quality finished product. Continuity of supply is guaranteed through our experience of the supply chain and depth of stock. From point of order to the best in class product packaging, our dedicated sample and aftersales service ensures your complete satisfaction, every time.

We are fully committed to going beyond existing regulations, to minimise any impact on our environment, protect people's health and safety, and make labour relations and social issues an integral part of everything we do.

All Showerwall Laminate panels are manufactured using an FSC® certified Exterior Grade MDF core, guaranteeing that the timber used is harvested from responsibly managed forests and other controlled sources. By purchasing a product with such certification, you are supporting sustainable forest management worldwide.

We're serious about our impact on the planet. That's why we're making changes to leave as little mark as possible. From recycled materials to biomass recycling, scan this QR code to watch a video about the things we've already implemented across the business.

You can find out more by scanning the QR Code.

Whilst images and swatches give a good indication of a decor, nothing compares to seeing how the real thing will work in your space. Order your free samples online at www.showerwall.co.uk or email samples@showerswall.co.uk. Other useful information is also available online; including help finding your nearest retailer and fitter, installation videos, and our handy visualiser tool.

THE COLLECTIONS

Our diverse range of products offers versatile design solutions for any bathroom using high gloss acrylics, refined textures or sleek laminates.

Laminate

6

THE ORIGINAL COLLECTION

The Original Collection is a range of versatile popular decors, from shimmering designs with lustre to marbles for a more refined feel. Offering a varied colour palette, featuring Gloss as the hero with texture and matt finish options too.

12

THE IMPRESSION COLLECTION

The Impression Collection is full of character including rich earthy tones and tactile finishes that bring each individual decor to life. From neutral and timeless, to distinctive and striking, make a statement in any style or size bathroom.

18

THE MAJESTIC COLLECTION

The Majestic Collection includes luxurious decors characterised by a variety of finishes, dominated by the authentic Texture and the unique registered embossed Synchro finish. Choose from sophisticated marbles, contemporary terrazzo, and opulent metallic details.

24

Acrylic

THE ACRYLIC COLLECTION

Our Acrylic range maximises colour with a sleek, polished glass-like finish. Utilise solid colours or bold prints to make a statement, or go for something more traditional with a tile or pattern bringing trends of the past right up to date.

The Acrylic customise service is a bespoke design solution, giving you the control to create any solid colour panel you like to match an existing theme in your home, or combine with one of our existing designs - you can even supply your own image.

Solid | Patterns & Tiles | Prints & Images

44

Compact

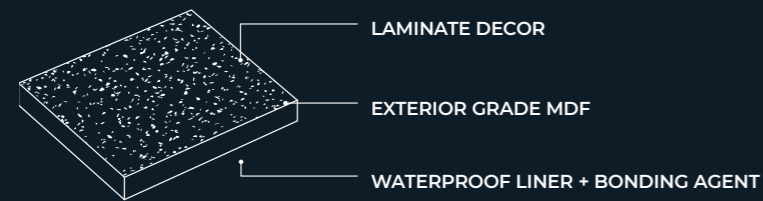

THE COMPACT COLLECTION

Our compact range gives the look and feel of real tiles without the hassle of grout. These solid laminate panels are available in a range of contemporary colours, which are quick and easy to fit and even easier to keep clean.

OUR LAMINATE PRODUCT

Create stunning statement walls

Laminate is inspired by stunning natural materials, perfect for creating characterful statement walls. Our Laminate product has a range of finishes to bring each individual decor to life, offering realistic textures and classic glossy finishes; bringing style to any bathroom.

FINISHES

Our decors come in a range of different finishes; from gloss to authentic textures. For easy distinction, the finish of our decors is marked throughout the brochure with the following icons:

- 

Gloss
A high shine finish creating a smooth, brilliant appearance
- 

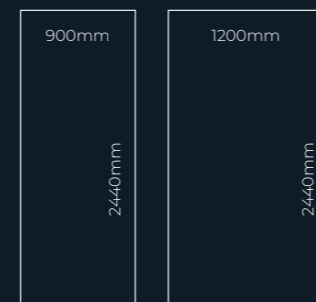

Matt
A soft to touch flat surface with low light reflectivity
- 

Texture
A structured surface that emulates the feel of organic materials
- 

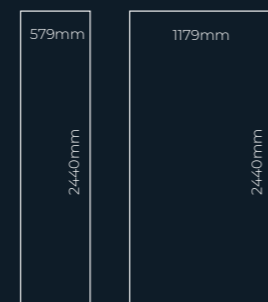

Synchro
A unique textured finish that follows the form of real material

OUR COMPACT PRODUCT

The look and feel of real tiles, without the grout

Compact Panels are made from a strong solid composite material, embossed to create a tile effect wall without the need for grout. These 3mm solid laminate panels are easy to fit through a waterproof system, reducing the fitting time compared with traditional tile products - and they are even easier to keep clean.

COMPACT PANELS

Compact panels measure **2440mm** in height, and are **1220mm** wide.

All Compact panels are 3mm in thickness.

FINISHES

Our Compact decors are marked throughout the brochure with the following icon:

The Showerwall System

NEXT STEPS | LAMINATE

Three steps to create your waterproof Showerwall system with our Laminate product.

1 Decor

Select a decor from our extensive range.

2 Panel Details

Select the size, edge finish and number of panels required.

3 Waterproof System

Select the coordinating trims, Sureseal and accessories required.

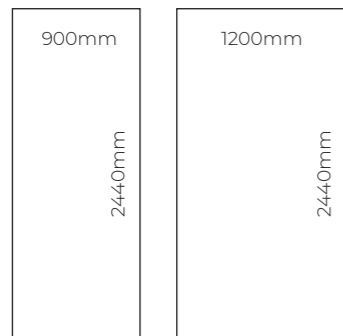

1 | DECOR

Select your decor from our 3 collections; *Original | Impression | Majestic*

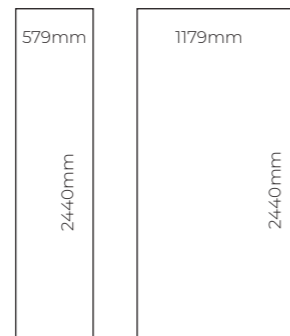

2 | PANEL DETAILS

All decors from the Original, Impression and Majestic collections are manufactured from a Exterior Grade MDF core and finished with a high pressure laminate (Laminate), creating 10.5mm thick panels. These panels are available in 3 widths: **600mm, 900mm or 1200mm**; and are **2440mm** in height. Choose from square cut panels or take advantage of our Proclick technology which achieves seamless joints without the need for joining trims.

Square Cut Panels

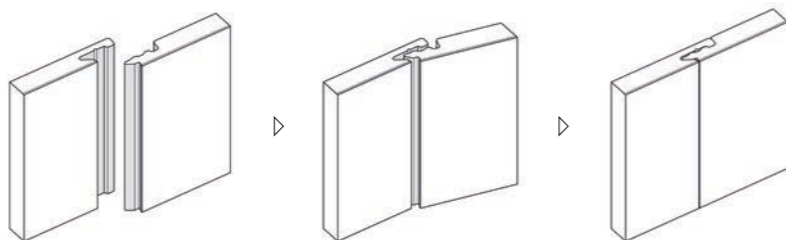

Proclick Panels

All Laminate panels are 10.5mm in thickness.

Note: All panels are available with a plywood core on request, made to order. A minimum order quantity of 5 panels applies.

Proclick technology has been engineered to create a mechanical locking system that provides seamless, almost invisible joints. Installation is made easy through the click design which allows panels to be located quickly and easily into place, eliminating the use of joining trims.

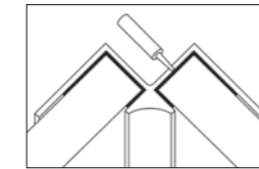

3 | WATERPROOF SYSTEM

Our system comes with two key components which ensure a watertight seal for our Laminate product; available in a range of colours to suit every decor. Easy to install and maintain.

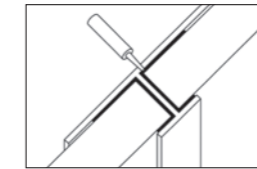

TRIMS

In order to ensure a watertight finish, trims are required for the outer edges of the panels as well as both internal and external corners.

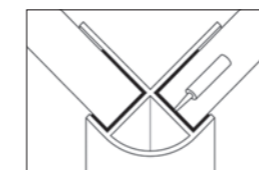

Five trims are available dependant on where you would like to fit our panels. Note: all trims measure 2450mm in length and should be sealed using Showerwall sealant.

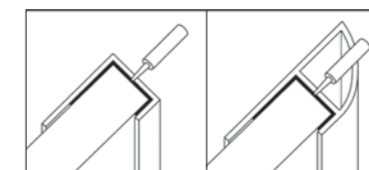

Internal corner
Used on all internal 90° corners.

Joining trim
Used to mount panels side by side.

External corner
Used on all external 90° corners.

Finishing end trims and Quadrant trims Finishing end trims for panels.

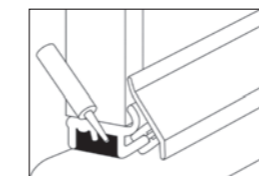

Five available trim colours;

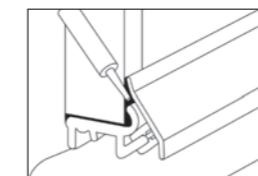

*Quadrant trims are not available in this colour

SURESEAL

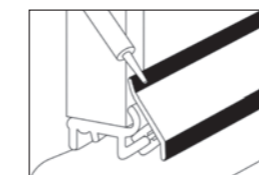

At the base of the Showerwall panel, even greater sealing performance is achieved using Sureseal. Fit and forget using the only maintenance-free shower seal on the market with no future resealing required. This four point sealing system is quick and easy to install, leaving the entire base of the panel encapsulated in sealant without any unsightly lines. Sureseal measures 2450mm long.

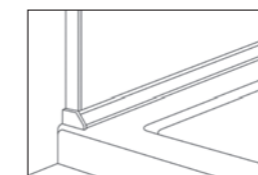

Seal one
Sealant between seal & tray.

Seal two
Panel encapsulated in sealant.

Seals three and four
Top & bottom seal.

Sureseal in situ
A watertight professional finish.

Maintenance free

4 point sealing system

Protects panel & wall

No unsightly sealant lines

No discolouration

Fit and forget

Sureseal front capping is available in three colours:

SEALANT & ADHESIVE

We recommend that Showerwall's own brand of adhesive and sealants are used for the effective fitting of Laminate to wall and sealing between respectively. Our Showerwall guarantee only applies if the correct products are used when fitting Showerwall panels.

SHOWERWALL KIT

A simple kit including everything you need to create a **two-sided shower enclosure** for your laminate panels.

All of our accessories are available to purchase separately; however if your space is a corner enclosure, take advantage of this kit which has everything you need in one handy pack.

Please note: This kit does not include the shower panels themselves and is only suitable for Laminate panels.

INCLUDED IN THE SHOWERWALL KIT

Our **two sided** kit includes all the trims, fixing and cleaning items you need for your Showerwall system.

TRIMS	FIXINGS	CLEANING
1x Internal corner trim	2x Silicone sealant in white (for Sureseal)	1x SuperClean cleaner
2x End trim	2x Silicone sealant for finishing	3x Surface cleaning tissues
1x Sureseal trim in white	2x Adhesive	1x Silicone remover
2x Sureseal end caps in white	1x Mitre box to assist cutting	
1x Sureseal profiler tool		

When ordering one of our kits, you can still select any of our trims or sealant colours for finishing. Please refer to the table below when ordering your kit and include the code which corresponds to your choice of colours.

Trim Colour	Translucent Sealant Code	White Sealant Code
Satin Silver	KIT SSC	KIT SSW
White Gloss	KIT WGC	KIT WGW
Bright Silver	KIT BSC	KIT BSW

NEXT STEPS | ACRYLIC

Three steps to create your waterproof glass-like wall with our Acrylic product.

1 Decor

Select a decor from our extensive range.

2 Panel Details

Select the size and number of panels required.

3 Sealant

Coordinate the sealant with your choice of panel.

1 | DECOR

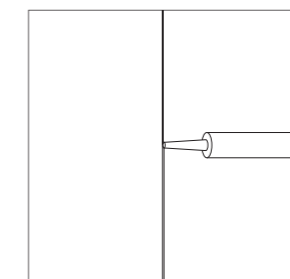

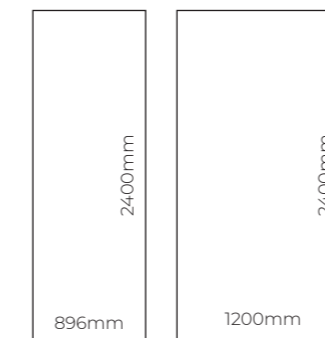

Select or create your wall from our collection.

2 | PANEL DETAILS

All decors from the Acrylic Collection are manufactured from a 4mm thick acrylic sheet that is rear printed to create a polished glass-like finish. This material is 100% waterproof and therefore it does not require any trims; panels are simply joined together using sealant.

Panel Sizes

Acrylic Collection panels measure **2400mm** in height, and are available in either **896mm** or **1200mm** widths.

Panels are simply joined together with sealant

Please ensure that you follow the complete instructions or alternatively watch our installation video, both of which can be downloaded from our website.

All Acrylic panels are 4mm in thickness.

3 | SEALANT

Colour Match Sealant for sealing joins on Acrylic decors only. Select your colour sealant from the choices below.

For recommendations of sealant colour to match your chosen Showerwall Acrylic design, please refer to our Acrylic Sealant Matrix which can be viewed online by scanning this QR code.

NEXT STEPS | COMPACT

Three steps to create your waterproof tile-like wall with our Compact product.

1 Decor

Select a decor.

INSTALLATION

Fitting our shower panels is easy and can be completed by anyone who is competent at DIY. Full installation instructions are provided with every panel and we highly recommend the Showerwall installation video accessible via YouTube and www.showerwall.co.uk.

Failure to comply with the Showerwall installation instructions, including the recommended use of Showerwall sealant and adhesive, will invalidate your guarantee.

SHOWERWALL FIND A FITTER

We've now launched our Find A Fitter programme on our website, through which you can find installers from across the UK who are ready and waiting for you to contact them.

Simply scan the QR Code and enter your postcode to begin your search.

CARE AND MAINTENANCE

Showerwall is more hygienic and easier to maintain than tiles. The non-porous surface provides excellent protection against bacteria, especially in the areas between tiles that are traditionally grouted. SuperClean anti-bacterial cleaner kills germs and keeps hard surfaces clean without scratching and is recommended for the optimum life and performance of the panel.

Abrasive cleaners and bleaches must not be used on Showerwall panelling. Sealant needs to be replaced at regular intervals. Failure to do this may cause water ingress and subsequent panel damage.

DISCLAIMER

Any reference to Showerwall waterproof panelling system refers to all elements of the Showerwall system being fitted together. Showerwall Laminate panels must be fitted in accordance with the fitting instructions and must use Showerwall trims including Sureseal, sealant and adhesives to ensure the system is both waterproof and guaranteed. Due to variations in the photographic and printing processes the colours shown may vary compared to the actual product. Natural stone decors will vary to replicate variances in this type of material, and there will generally be shade variances between individual panels so this is not grounds for complaint. All panels, irrelevant of decor type, must be inspected carefully before installation. Any concerns raised must be clarified prior to installation. It is recommended that actual product samples and retailer displays are viewed prior to purchase.

We reserve the right to amend the specification of the products shown without prior notice. E&OE.

A smart waterproof system combined with the character of organic materials; built to last and easy to install.

GUARANTEE

When installed correctly using the recommended fitting guide and accessories, Showerwall is guaranteed to be free from defects for 30 years, from the date of purchase. A copy of the Showerwall guarantee is available to download from www.showerwall.co.uk.

Note your Showerwall panels carry a 30 year guarantee that is limited to domestic use against manufacturing defects, only when registered using the owner registration document contained within the product packaging. If the purchase of your panels is not registered within 28 days of the installation being completed then the guarantee is reduced to a 15 year term.

WATERPROOF PANELLING SYSTEM

Any reference to Showerwall waterproof panelling system refers to all elements of the Showerwall system being fitted together. Showerwall Laminate and Compact panels must be fitted in accordance with the fitting instructions and **must** use Showerwall trims, sealant and adhesives to ensure the system is both waterproof and guaranteed.

EUROPEAN STANDARD FIRE RATED

All Showerwall Laminate panels are classified EN 13501. In addition, selected decors are British Standard Fire Rated Class 2-BS 476 : Part 7 : 1997 Standard Fire Rated Class 2-BS 476 : Part 7 : 1997

ENVIRONMENTAL RESPONSIBILITY

All Showerwall Laminate panels are manufactured using an FSC® certified Exterior Grade MDF core, guaranteeing that the timber used is harvested from responsibly managed forests and other controlled sources. By purchasing a product with such certification, you are supporting sustainable forest management worldwide.

We're serious about our impact on the planet. That's why we're making changes to leave as little mark as possible.

The Stylish Alternative to Tiles.
